EN1130 | BS18700 | EN16890

Creating Calm & Comfortable Sleep Environments

Designed for busy nursery settings, the Dream Crib offers a dedicated rest space that combines comfort, hygiene and practicality for infants from birth.

- 💧 Waterproof mattress
- 👐 Easy-move hand holes
- 📦 Stackable design
- 👶 Suitable from birth

EYFS BENEFITS

- 🌙 Supports healthy sleep routines
- 💖 Promotes comfort and emotional security
- 🏠 Creates dedicated sleep environments
- 🌸 Helps maintain calm, organised nursery spaces
- 👶 Supports babies rest and wellbeing from birth

Smart Storage Solution

Two Dream Cribs stack neatly together when not in use, helping settings maximise valuable storage space while keeping sleep areas organised and clutter-free.

Safety & Compliance

The Dream Crib has been independently tested and certified to:

Crib Standard

✓ BS EN 1130-1:2019 + AC:2021

Mattress Standards

✓ BS 18700:2023

✓ EN 16890:2017+A1:2021

Safe Sleep Practice

Designed in line with current sleep guidance, helping settings create calm, nurturing and dedicated spaces for babies to rest and sleep safely.
